MOTOR HOME RENTALS

Outdoor living no longer requires a sacrifice of comfort or convenience. This brochure provides a list of camping units available for rent in Ontario. Because units are frequently booked months in advance, it is advisable to make inquiries as early as possible. Some companies offer rentals only during the high season, about June 1 to September 30. Others offer their units for rent year round, usually at reduced rates in the off-season. When units are heavily booked in the summer, campers may have to adhere strictly to the basic rental period. A few companies will arrange for extra days and long weekends in the summer.

Insurance, mileage costs, preparation fees, and applicable sales tax should be discussed at the time of booking. Many companies also require a deposit on camping units, \$100 or more on travel trailers.

PRICES ARE SUBJECT TO CHANGE WITHOUT NOTICE.

For your convenience, the companies are listed under Ontario's 12 regional travel association areas. The area boundaries are indicated on the map on the following page.

If you are aware of any rental agency which has not been included, we would appreciate hearing from you.

For additional information on attractions, camping, accommodations and events, please call us at the numbers indicated on the previous page.
